

BLEACHED WITH BLACK CAULKING

Bleached has slightly less tone compared to Scrubbed and beautifully mimics a scrubbed teak deck.

DECK DESIGNER

Use our **deck designer** to create the perfect deck for your boat:
flexiteek.com/flexiteek-2g/deck-designer

REQUEST A SAMPLE

Individual samples: flexiteek.com/request-a-sample/

Sample pack: flexiteek.com/request-a-sample-pack/

Please note: Flexiteek is designed to replicate the graining found on natural timber; therefore, this effect will differ between planks. This non-uniformity is intentional and an inherent feature of the product.

BLEACHED WITH GREY CAULKING

Bleached has slightly less tone compared to Scrubbed and beautifully mimics a scrubbed teak deck.
